

Private Boat Storage Policy  
Don Rowing Club  
February 2020

- The Don Rowing Club provides, to Members in good standing, a limited number of spaces for storage of private singles. Boats stored at the club are subject to the conditions outlined below. Boat owners must adhere to all of the Club's rules and guidelines, including Safety Policies. All private boats that are stored at the Club are subject to this policy.
- Space is limited and will be prioritized by the Rowing Committee.
- The term of private boat storage is April 1<sup>st</sup> to March 31<sup>st</sup> each year. Boat storage fees are non-refundable and are not pro-rateable.
- The Club is not responsible for any loss or damage to the boat or its accessories. Private boats are not covered by the Club's insurance. It is recommended that the owner obtain his or her own insurance.
- The Club will not provide transportation for private boats.
- The owner must provide all accessories to be used with their boat. Accessories (sculls, life jackets, lights, bailer, whistle) are the responsibility of the owner and should be appropriately labelled. If the ownership of boat equipment or accessories that are left at the Club cannot be determined, or if fees have not been paid, the boat, equipment or accessories may be absorbed for use by the Club.
- Membership, storage and other applicable fees are to be paid within 10 days of the due date. If storage and membership fees are not paid in full, the Club may, at its discretion, reassign the rack your boat occupies. The Club will not accept "boat storage only" conditions.
- The Don Rowing Club is not a storage facility for unused boats. Boat rack assignments are at the discretion of the Captain and the rack an individual has been allocated may change from time to time.
- If a boat remains unused or is used minimally, the club may elect not to renew a boat rack allocation. Frequency of use can be a determinant in which rack will be allocated. Entries in the logbook may be examined for this purpose.
- You may not sublet or transfer the use of your rack to someone else.
- As there is a waiting list for private storage, you are asked to advise the Club by March 1<sup>st</sup> if you do not intend to renew your rack for the upcoming season. To advise the Club, please send an email to [cynthia.drewry@donrowingclub.ca](mailto:cynthia.drewry@donrowingclub.ca).
